Item 9. Other Events

Global Ferronickel Holdings, Inc. (FNI) announced today, 20 February 2017, that its subsidiary, Platinum Group Metals Corporation (PGMC), has been awarded an annual contract to supply 1 million wet metric tons (WMT) to Baosteel Resources International Co., Ltd. (Baosteel Resources) at prevailing market price. PGMC has been supplying Baosteel Resources with high to medium grade saprolite ore and medium to low grade limonite ore since 2014.

Early this year, PGMC had also signed supply agreements for the delivery of up to 3 million WMT. The award of Baosteel Resources increases PGMC's take-up to 4 million WMT - about 70 per cent of its expected shipment of 6 million WMT for the year.

Headquartered in Hong Kong, Baosteel Resources is a wholly owned subsidiary of Baosteel Group focused on global distribution of mineral resources through investment, trade and logistics services. In 2015, Baosteel Group ranked 5th largest company among iron and steel enterprises and 218th overall on the Fortune Global 500 Companies, which it has been consistently recognized for 12 consecutive years.
